

**103 CLUB AT DANIEL WRIGHT**

The 103 Club at Daniel Wright School is for children in fifth grade. It opens on the first day of school and continues throughout the school year. The program for Daniel Wright requires the students to be bussed over to Half Day or Laura Sprague School at the end of the school day. If you need care before school or on days when school is not in session, you will drop your child off at Sprague School, and we will provide transportation to school on school days. On days off school, you will drop off and pick up your child at Sprague. We are only closed National Holidays, summers and part of winter break. We will be open all other days off school and in-service (teacher institute) days as long as there are ten children signed up.

**PROGRAM**

The 103 Club offers activities, such as sports, arts & crafts, computers, science, as well as a healthy snack. We encourage all children to participate in activities but offer them the choice. We offer a head-start program for those children who require homework time. Caring, experienced professionals staff The 103 Club program, which is not simply a babysitting service.

The 103 Club provides high quality, before and after school children’s programs for working parents when school is in session, and full-day programs on the days when school is closed, such as holidays, in-service days, etc.
